Detailed itinerary	Not big classic of off-piste ski! Not much approach for a long descent with a magnificent view!!! Of the summit of chairlifts, an ascent of 100 m to join a small pass, allows to fall over on the champagny hillside, by borrowing at the beginning a glacier, then a long descent until Champagny! The return is made until Champagny the Top along cross-country ski runs in case there would be snowboarder additional 20 minutes walk are to be planned. It is of course only area code, it will be necessary to us to adapt ourselves to the hazards of the weather report as well as in the conditions of the mountain and the participants. In the last resort, the mid mountain guide remains only judge of the program whom he can modify because of imperatives of safety.
